# Competition caution

The ACCC requires that participants at this meeting must not enter into any discussion, arrangement or understanding that may, in any way, infringe applicable competition laws.

In particular, members and participants must not:

- discuss or agree on production limits or strategies, prices (including rebates and discounts), marketing territories, bids or tenders;
- discuss or agree on dealings with customers or third parties, including trading terms and conditions;
- exchange any non-public or commercially sensitive information relating to -
  - purchasing, production and supply chain strategy or capacity,
  - marketing or advertising strategy, or
  - profit, costs or revenues.

Such topics must be avoided both in the formal meetings and in any informal discussions before, during or after meetings. Please keep discussions within the scope of the set agenda items as off-topic discussions may represent a compliance risk.

Participants are encouraged at any time to challenge any discussions that might contravene this statement.

# Acknowledgement of country

*The Australian Food and Grocery Council acknowledges the Traditional Owners of Country throughout Australia. We pay our respects to Elders past, present and emerging.*

AUSTRALIA 2026

20-21 MAY 2026 | SOFITEL BRISBANE

## **Pathways to Disruption: The convergence of cyber and physical risks in food supply chain**

### **Dan Shields Managing Director**

Dan is a globally recognised expert in threat management, risk, and governance, advising executive teams, Boards, and interagency response teams on protecting strategic assets and strengthening organisational resilience.

With over 25 years of experience across 35+ industries, he has delivered cybersecurity workshops in more than 20 countries, integrating risk governance with digital security to safeguard high-value assets.

Beginning his career as a professional firefighter with NSW Fire and Rescue, Dan combines operational leadership with strategic insight, positioning him as a trusted advisor helping organisations navigate complex risks, protect shareholder interests, and achieve long-term success in an increasingly interconnected world.

**Catch Dan on Day 2 at 2pm for valuable insights on risk and threat management in the increasingly digital world.**

# Webinar

## AFGC | Virtual Briefing Room: Federal Budget - Economics, Numbers and Political Signals Webinar

Thursday 14 May 2026 - Online

1:00pm to 2:00pm AEST

The Federal Budget is more than a bottom line it's a statement of priorities, pressure points and political trade-offs. In the third instalment for the Virtual Briefing Room, Scott McGrath, (Director, Stakeholders, Engagement and Policy) is joined by Samuel Garcia (Manager, Economics, and Insights) to breakdown

- The headline numbers
- Winners, losers and watch outs
- The politics behind the budget

Expect a practical, straight-talking discussion designed to help members interpret both the economic settings and the political momentum behind them

## AFGC | AIP - Global Perspectives on Circularity for Packaging webinar

Thursday 28 May 2026 - Online

12:30pm to 1:30pm AEST

This webinar will provide a rapid-fire showcase on what the world of designing for circularity really looks like across the world. Nerida will showcase the latest in regulatory frameworks for extended producer responsibility, eco-modulation, design for recycling, design for circularity and available resources to help your business designing our waste at the start. The webinar will also show case award-winning best practice examples of what good-design really looks like and what is next for the industry.
